

Octa Cultures

Preserving and stewarding the eight cultures of Earth

IN BRIEF

Octa Cultures works to preserve and steward the eight cultures of Earth: Human, Animal, Plant, Insect, Aquatic, Algae, Fungi and Bacteria. Its work is organised across Earth's 846 ecoregions, and it is cultivating a worldwide network of people who share knowledge, wisdom and resources to care for them. Octa Cultures is the first seed of Octa HQ.

THE FACTS

NAME	Octa Cultures (two words, capital O and C)
LINE	Preserving and stewarding the eight cultures of Earth
PART OF	Octa HQ: "The first seed of Octa HQ" (octahq.xyz)
